## Port Waikato Camp 2018

28th August, 2018

Dear Parents,

A number of important forms were sent home with your child last week.

- Parental Consent and Risk Form
- School Health Form

We require a health profile about each student, this is kept in a file in case of any emergency. Please be specific about concerns as this allows us to address them over the weeks leading up to camp.

Could these please be returned to the box in Room 5 before Friday, 31st August to allow Sarah and I to continue with our planning.

Thank you to the parents who have offered to join us at camp. We have carefully selected parents based on the needs of the students, a balance of male and female, a balance of parents who have attended before and new parents, skills required for a successful camp, cooking and first aid skills, along with parents who can commit to the full week. Acknowledging the wonderful support we received we however, are unable to take more parents than required. We have increased this to 15 to ensure that all activities have a safe ratio of parents to students.

We will be holding a meeting for all parents attending the Port Waikato Year 5 and 6 Camp on Tuesday, 16th October 2018 at 5.30 pm in Room 6. Please mark this date in your diaries as it is imperative that we have all parent supervisors attend this preparation meeting.

Sarah and I are in the process of finalising the camp timetable and activities and when we are happy with the programme we will send a copy to you all.

Kind Regards,  
Natalie Toohey and Sarah Rust
