

St. Peter's Catholic School

Quality Education in a Traditional Christian Community

3rd September, 2018

Year 5 and 6
PORT WAIKATO CAMP
23rd October – 26th October 2018

Dear Parents/Caregivers,

Thank you to all the parents who have offered to help with the shopping for Port Waikato Camp.

Jennifer MacGillivray will coordinate the buying and cooking of the food necessary for camp. Those parents who offered to help will get a friendly phone call from Jennifer closer to the time.

Please find attached to this newsletter the students' gear list. It is important that the students have enough practical camp clothes to last them the four days. The beds in the dormitories have a mattress only, so the students need their own pillow and suitable bedding (Sleeping bag or duvet and a sheet for the mattress). If you have difficulty getting any of the items on the list please contact the classroom teacher and we will endeavour to help out.

We are excited about the possibilities for the children while on camp. We have a scenic walk, archery, BMXing, camp cooking, caving and orienteering planned, when the programme is finalised the children will get a copy to bring home.

Camp Costs: Cost per child is \$175. Please make sure this is paid to the School Office by Friday, 19th October. If you are having difficulties paying this amount in one lump sum please speak to the School Office about arrangements to pay it off.

The school Account is: 03-1568-0009985 00 please reference "5/6 Camp".

Regards,

Natalie Toohey and Sarah Rust
