Quality Education in a Christian Community

Easter Update

Kia Ora Koutou

It has been two weeks since the country went into Lockdown. A lot of things have changed during this time. The school holidays have been brought forward to allow teachers to prepare for remote learning. The school holidays finish on Wednesday 15 April and term two will begin. This is when remote learning will formally start. The Government and Ministry of Education have been busy preparing to support our delivery of remote learning. Today they announced that two TV channels will be set up to help with this.

On Tuesday, 14 April, we will put out a newsletter detailing what your child's learning will look like and the expectations for this unprecedented time. We understand that a number of parents will be working from home and will find it hard to also provide constant teaching support to their children. Our learning programme will take this into account.

To help you keep up to date with what the school is doing here are some helpful links.

Attached is a letter to the community from BOT Chair Jason Lowe. Please take the time to read Jason's update on behalf of the BOT.

Lastly, I wish you all a safe and Holy Easter. May we find inspiration in the suffering and resurrection of the Lord. I encourage you to take part in the Easter services that will be live-streamed from Bishop Steve's Chapel. Check out Bishop Steve's Facebook page or the Diocesan Website www.cdh.org.nz for more details. Shine TV (on Freeview) will also show a variety of Easter services. Check guides for times.
